Dear Professor Maseri,

this is to inform you that I am organizing the third edition of *Mediterranean Cardiology Meeting* that will take place in Taormina from May 20 to 22 2007.

Experts from many important cardiology Institutes of Italy, Europe and U.S.A. will participate in the Meeting and an attendance of about 1000 participants is expected. Among the Scientific Committee there will be professor Auricchio, Baron, Benditt, Blanc, Braunwald, Brignole, Cappato, Gorenek, Klein, Maggioni, Moss, Natale, Nisam, Oseroff, Ovsyshcher, Priori, Prystowsky, Raviele, Santini and Sutton, only to quote some among our most renowned guests.

The official language of the workshop will be English.

In the final program will be clearly specified that the peculiarity of the meeting is a post graduate teaching event and that there is an admission fee. We have already informed other International Societies as EHRA, ECAS, ICPEs, ICE, ISHNE, HRS, SOLEACE, WHF and National Cardiology Societies as AIAC, ANCE, ANMCO, ARCA, GICN, SIC about the meeting and we have already send the request of their sponsorship.

Giving the extreme importance of the workshop, I should be very honored if you, as for the previous editions, could grant the patronage of the FIC to Mediterranean Cardiology Meeting 2007.

At the present time, I am preparing the Scientific Program that you can see as Preliminary, visiting our website at www.mcmweb.it

Hoping to receiving from you a favorable reply,

Best regards

Michele Gulizia, MD
